Enter it and you will not end up on the edge of the rock above. If the Nazguls catch you, you don't need to break free by pressing (K). This time you won't have to fight Nazguls in a direct fight. The first step You will not need to eat an incAndio you will not need to have wood loses for this. To finish this visit, use the pot at the bonfire to prepare a meal. After arriving at another alley without sound, you should not be careful not to step on any thorn. Remember about this ability as you won't need it a few more times in the Weathertop. Next Walkthrough à Act I Middle-Earth: Rivendell Prev Walkthrough à Act I Middle-Earth: Bree Unfortunately, the Nazguls are constantly disturbing you and they will often destroy a bonfire burning, for you will not create again. This time you have to cut the shrubs *shrubs, build a bonfire from the branches and set fire that will burn the leaves *shrubs and unlock a further path. Last : Wednesday, May 11, 2016*Maximum step by step à Act I Earth-One ©day: Rivendell Prev Step by step à Act I Earth-m ©dia: Bree Characters: Frodo, Sam, Happy, Pippin, Aragorn Requirements for Adventurers: 46,000 studs New characters: Aragorn New characters to buy: Ringwraith, Ringwraith (Twraith (Twilight) Time for dinner! You won't have to use the skills of all party members for that. Save your game by the stone of the map and follow more to the left unfortunately the road will be blocked by an abyss. Just approach them and hold (K) for a while. Then you won't have to set him on fire and attack a Nazgul. You will not have to get rid of the Nazguls once and for all, which can be done using the torch hitting an enemy with it will eliminate it forever. Another stone wall and another alley without a soul. This time you won't have to agree simply place the Hobbit next to the egg you did not drop before, press (K) and choose the frying pan to match the items. Below you will have to start an incumber that will unlock the additional path. Deserve and place all the pieces of wood at the designated place. The second battery is on the right side of the place and should easily notice it. To get to the third bush, you will have to try a little more. Repeat this two more times and a movie will be started. You can find them hidden below the bright bushes (visible at the bottom of the screen capture above) - just reach them a few times and put the wood obtained at the designated location. With five lit firers, the next part of the fight will begin. There are two groups of materials in which you need to work: one of them - remains of the statue knocked over by Sam - is on the back of the stage. phase.
