Kareena Kapoor Khan, better known as the Begum of Bollywood has been one of the leading ladies of the industry. Belonging to the Kapoor family, the actress has been in the limelight since she put her first step in Bollywood in the 2000 war movie, Refugee. After playing diverse roles, the role of a sex worker in the 2004 Chameli was a turning point in her career. Later there was no going back, and she continued to establish her name and fame through movies Omkara, Jab We Met, Bodyguard, 3 Idiots and Ra.One. Her acting is widely appreciated and all her roles have been critically acclaimed by all Bollywood experts. The actress who made headlines with her extraordinary fashion style has also been a striking stage performer. . Apart from her magnificent acting skills, 'Bebo' has also got her name published as a co-author of her autobiography 'The Style Diary of a Bollywood Diva' and two nutrition guides. Her work for philanthropic enterprises has been evidently noticeable where she has been continuously involved in working towards education, women and child safety. The actress who has won six Filmfare awards is one of the highest paid actresses in Bollywood. She is also known for her outgoing nature and spontaneity. After her affair with the handsome hunk Shahid Kapoor ended, she married Saif Ali Khan in October 2016. The couple is now all set to have their first baby. Kareena sizzles in a red dress.
